SAWASDEE KRUB

Welcome to Bangkok, and to the 31st SEA Cup, which we at BSL are very proud to once again take our turn in hosting. Thanks to our friends from KLYS Kuala Lumpur and ANZA Singapore, who have set the bar high, and we hope that we can match their fine efforts over this weekend in Bangkok. We also welcome BISP Cruzeiro at U18, and PKFC at U15, as well as RED FC at U9 and Premier football Academy at U11. We thank them for their participation and wish them good luck.

This SEA Cup, in addition to the Cup winners, and the overall winners, we include MVP and Golden Boot awards to players at each age group, as well as Sportsmanship awards to teams at each age group.

The first time I've been introduced to the SEA CUP was in 2015, when at the first time U9 and U11 age groups participated. Now those players are playing at the U13 and U15 age groups. There is something special about this tournament, which keep a youth football tournament running for this long. It is really a remarkable achievement. The friendship, the atmosphere, the level of competition, which makes it one of the highest points of our football calendar at BSL. It is unique, and I hope that our younger players will also feel a part of that, and continue to participate year after year.

We like to wish you all a weekend of football, friendship and fun. May the best team win on the pitch, and may we all win off of it.

Looking forward to see you all having fun and enjoy the football weekend in Bangkok.

On behalf of the BSL Community,

Doron Shachar
